

Dear students of 4a,

it seems like distance- and online learning is coming to an end and we are going to see each other on the 18th (group1) or group 2 on the 22nd May, as the holiday was cancelled by the honourable secretary of education.

That means this is the last online ToDo List which we are already going to check IN CLASS after the 18th May.

I'm really happy to see you all in school again and have fun with the last online workplan 😊!
